Hi everyone,

I was advised of this location. Homeless individuals living in a canal and numerous citizens in area complaining. Soon will be getting media attention (supposedly). A slo should have called you regarding the attachment please see it. Ill get better photos soon. This is the best we have.

Matthew can we do outreach and educate individuals.

Owb hope is alrdy aware and is hoping Uhrc can assist. Pacific captain is getting a ear full.

Katie or danie can we find out who owns property as we discussed. Any way we can make exceptions based on hazards entering water? Well talk tomorrow.

New place on tracker 🤔

Respectfully,
